

Paper week3 due Friday September 12, by 5pm

Papers are expected to be approximately 1/2 page in length, typed or legibly handwritten and scanned.

Weekly papers must be submitted in the Scholar Dropbox by the 5pm on Friday, each Friday during the semester.

Each paper document should be saved under a name that includes the student's name and the week number, such as: DRoberts\_week3.pdf.

Answer the following for this week's paper:

What are the top 3 ideas you retained from the material read in Chapter 2?

What are the top 3 ideas you retained from the material read in Chapter 3?

Reading material:

1. "Practical Data Science" – full Chapter 2, including the Section working with databases.
2. "Practical Data Science" – Chapter 3.
